Our goal is to connect the children to the world around them, increase their awareness of their surroundings, how they can be a part of their community and make a difference to everyone around them. We provide daily opportunities for children to learn and practice leadership, and teamwork skills as well as self-reflection, self-awareness and self-reliance.

Our summer camp is led by experienced qualified early childhood teacher with in-depth understanding of children's development as well as, experienced staff and volunteers. Together we will work together to provide an environment that nurtures mentorship, inclusion, and inquisition in children.

Our space is limited to 28 children. Please email us at info@LittleGiants-Childservices.com, title "Summer Camp 2025" to reserve your spot today.
